

Virtual Tours and Survivor Talks

What to Know

Holocaust Survivor Talk Information

Age

Survivor talks are available for students in grades 4 through 12.

Time

Please plan for your survivor talk to take 45 minutes. Start times are flexible.

Details

Survivors share their experiences during the Holocaust and welcome questions during and after their talks. Students are provided the unique opportunity to hear from and dialogue with a Holocaust survivor. We will pair your class with a survivor we believe will best suit their age and background.

Tour Information

Virtual tours are available for students in grades 5 through 12.

Time

Please plan for your tour to take 60 minutes. Start times are flexible.

Details

An expert docent leads an in-depth overview of the Museum galleries and Holocaust history during the tour. Tours are inquiry based and focus on primary sources.

Zoom Logistics

Up to 500 participants can be accommodated at once. If your district requires you to use a different platform, please reach out to our team so we can use your preferred streaming service.

****Virtual tours and survivor talks can take place on the same or different days.**

****All virtual tours and survivor talks are free of charge. Donations are appreciated.**
